

Date May 4, 2026

To Whom It May Concern,

It is a pleasure to provide this reference for Manuel Torres, who has volunteered with the Hamilton/Burlington SPCA since **August 2025**, contributing **87 hours** of service to date.

Manny was personable, easy to work with, and eager to help. He supported a range of initiatives across the organization, including providing digital assistance to various departments.

In particular, he worked closely with the Giving Department, using his coding skills within Shopify to help build and launch our new Wish List platform. His contributions supported the setup and functionality of key webpages aligned with our current needs.

We appreciate the time and effort he contributed to our organization. His support has been a valued part of our work.

Sincerely,

Julie Watt
Director of Philanthropy, Giving and Sponsorships
Hamilton/Burlington SPCA

The Hamilton/Burlington SPCA is proud to be 1 of 3 organizations in Canada accredited by Humane Canada. Now, we're building North America's First Animal Welfare Hub to support every stage of the pet journey for millions of animals and the families who love them! Unleash Love with us.
